

Follow-up to workshop: 1

- Interviews October through December with pilot projects and other stakeholders:
 - Structured interviews to be supplied in advance
 - A cost-benefit matrix will be developed in conjunction with the interviewees
- Results of interviews and updated summaries of blog posts will be consolidated into an online survey tool for wider distribution
- Results of all the data gathered to be shared with pilot projects at January 2015 workshop
- Final Report prepared for distribution

Follow up on workshop: 2

- Potential contents of Final Report:
 - Identification of best practice and potential barriers
 - Risk assessment
 - Advocacy to ensure maximum take-up
 - Summary of cost-benefit considerations
 - Current and future benefits of ORCID
 - Typical ORCID implementation costs
 - Structured check list for institutions to develop a business case
